9 am sharp, Saturday April 4th.
Bring walking gear, lunch and bevs

at the Mt. Lyell Inn.

R*n 990—Micro-HOFT Hole in the Road Penguin to Purton's Flats, set by Dyke (62), March 22nd, 2009.

The pack: GoneAgain(14), Phay Wray(263), Flasher(27), Ringo(629), Urang(179), Boomboom(5), Tals(241), Tracka(101), Puss in Boots(6), Janine Pow(1), Slack Mac(412), Dini(385).

Dyke's HOFT was close to being cancelled when Dyke realised it was 12:13pm and no one had shown at the Hole in the Road behind Penguin, but then the punters appeared over the hill. Full of enthusiasm we descended down to the Leven River and marched along to our designated lunch-spot at Purton's Flat. Dyke had arranged beer, champagne and other goodies to handicap us on the way back home

Half way along the walk we were surprised by Towels and Slack Mac who intercepted our trail. They had been alerted to our operation by the HHH intelligence faction.

Dyke had planted interesting artefacts for all to enjoy. See below the FoMoCo diesel powered pump that tickled BB and R's fancy.

Personally I was more intrigued by the Launny ballerina and Puss in Boot's swishy pants, or whatever was making the squishy sound in there...

Dyke hospitality was enjoyed after the run which got us re-energised to partake in pizza in Penguin... Next HOFT is Montezuma's Falls with Flasher (hope he learned from today's mini-HOFT).

Farmer Dyke stopped by the local mechanic shop to have his truck fixed. They couldn't do it while he waited, so he said he didn't live far and would just walk home.

On the way home he stopped at the hardware store and bought a bucket and a gallon of paint. He then stopped by the feed store and picked up a couple of chickens and a goose. However, struggling outside the store he now had a problem - how to carry his entire purchases home.

While he was scratching his head he was approached by the widow Speed Hump who told him she was lost. She asked, 'Can you tell me how to get to 1603 Mockingbird Lane?'

Farmer Dyke said, 'Well, as a matter of fact, my farm is very close to that house I would walk you there but I can't carry this lot.'

Speedy suggested, 'Why don't you put the can of paint in the bucket? Carry the bucket in one hand, put a chicken under each arm and carry the goose in your other hand.'

'Why thank you very much,' he said and proceeded to walk Speedy home.

On the way he says 'Let's take my short cut and go down this alley. We'll be there in no time.'

Speedy looked him over cautiously then said, 'I am a lonely widow without a husband to defend me.. How do I know that when we get in the alley you won't hold me up against the wall, pull up my skirt, and have your way with me?'

Farmer Dyke said, 'Holy smokes lady! I'm carrying a bucket, a gallon of paint, two chickens, and a goose. How in the world could I possibly hold you up against the wall and do that?'

Speedy replied, 'Set the goose down, cover him with the bucket, put the paint on top of the bucket, and I'll hold the chickens...
