R\*n 999—23rd May, 2009.

Burnie HHH AGPU—The Bone Idols, now playing at The Hard Cock Café,  
1054 Isandula Rd., Gawler. Hare Aberrant: Ratchet (325)

The Pack: Tals(245), Slack Mac(416), GonZo(165), Chunder(187),  
Boom Boom(7), DT(99), Speed Hump(353), A Bit of This(148), Grizzly(709),  
Phay Wray(267), Urang(183), Stephen Wiles(Pending)(2), Dini(390), Dyke(69),  
Ringo(636), Flasher(30), A Doodle Doo(3), Puss In Boots(5), Knickers(278),  
DickWhitt(2), Lone Arranger(359).

Ratchet's Sporting Life...

The wallaby farm was abuzz with more activity than usual. That is to say,  
numerous people other than Knickers were in attendance, all moving at maximum  
speed and with minimum purpose.

At a little after the appointed time, The Hare de Jour Ratchet martialled the  
pack for the dissemination of some complex instructions. Apparently whilst  
setting trail he had misplaced some sporting equipment, and required the  
Hashers to find and return them. There was mention of a prize....could this be  
some sort of *competition*?

Grizzly, DT and A Doodle Doo set off at a brisk mince, knees pumping, elbows  
locked and swinging as each tried to be the first to collect a piece of sporting  
equipment. But what were we looking for exactly? What sort of games does  
Ratchet play? "Hunt the Grange"?... "Pin the tail on the Knickers"?..... "Fun with  
cable logging"? ...."Two-handed Solitaire" perhaps?

But no, some of the early finds indicated more publicly acceptable sporting  
tastes, with Grizzly brandishing a golf club and Flasher wielding a heavy piece of  
willow. After a single over of Dyke bowling pine cone googlies, Flash retired hurt in

a transparent bid to draw sympathy from the little LH4 girlies...give the old boy an Oscar. Perhaps he'll wear the box on the important bit of his anatomy next time i.e. his little finger.

The *competitive* ones leapt from the starting blocks as "On!" was called. Trail led out of the dingy darkness of the pine forest and onto the gravel road. Left, right, false trails, with more numbered items of sporting paraphernalia being gathered along the way. A Mastercheck yielded a clutch of piss-weak sporty jokes from the likes of Boom Boom, Speedy and Ratchet, providing relief from all this *competitive* bullshit.

Into the forest once more, the light now fading fast and the agreeable smell of cool dampness and fungi rising above the warm damp smell of sweaty hashers. The only bright glow in the forest sprang from the considerable expanse of white leg and fluoro-pink hyper-short shorts worn by Chunder.

Trail emerged from the forest to follow a fence line up a hill, and several of the pack were noted to be r\*nnng and elbowing each other aside *competitively* to get to the next pieces of equipment. Dark horse Pending gazumped the lot of them with skilled use of his rod (the fishing kind).

On home to the Hard Cock Café for one last scintillating circle this Hashing year. Slack Mac charged the pack in the same way that soup kitchens don't. He was at once deflecting, inflicting, erecting and admonishing, in line with all the latest chaos theories. Everyone was gasping for breath by the time the bucket was deemed empty.

The metamorphosis of the office bearers commenced soon after, with the all powerful (Mwahahaha!!!) Joint Masters Ratchet and Ringo anointing their newly chosen committee with the presentation of some very classy Poulet Mange acrylic drinkware.

The Annual awards (and there are legion) for recognition of devoted stupidity in the causes of Hashing were presented with much fanfare, and at great expense—trophies of such calibre are really seen beyond the doors of a recycle shop. The most important Grand Matrice's award for extreme Hashing was accepted by another party on behalf of it's recipient, and will be presented when the boat comes in.

The rumpus transformed into a Stars Dressing-room and a cross-dressers paradise as Puss and the newly named DickWhitt unpacked their suitcases and swapped intimate apparel with all and sundry. Where were you, Smallgoods? New clothes maketh the man, or transvestite in some cases, and the new Idol identities took to the stage for a night of surprisingly tuneful karaoke. It must be time to do something else. We are getting too good at it—most un-Hash-like.

Long into the night Abba and friends played until they met their Waterloo somewhere just before 4 am. Dawn was greeted with all the joy of finding a pube on the rim of the glass of your cream-based cocktail. Slack Mac cooked breakfast, Gispert bless his cotton socks, and a short recovery stroll in the fresh air necessarily served to improve the general health not one iota.

ON! ON!

Two Nuns are riding their bicycles down the back streets of Rome .

The other Nun whispers, "It's the cobblestones."

#### THE BEST Put Down LINE EVER

For those that don't know him, Major General Peter Cosgrove is an 'Australian treasure!'

General Cosgrove was interviewed on the radio recently.

Read his reply to the lady who interviewed him concerning guns and children. Regardless of how you feel about gun laws you gotta love this! This is one of the best comeback lines of all time.

It is a portion of an ABC radio interview between a female broadcaster and General Cosgrove who was about to sponsor a Boy Scout Troop visiting his military Headquarters.

FEMALE INTERVIEWER:

So, General Cosgrove, what things are you going to teach these young boys when they visit your base?

GENERAL COSGROVE:

We're going to teach them climbing, canoeing, archery and shooting.

FEMALE INTERVIEWER:

Shooting! That's a bit irresponsible, isn't it?

GENERAL COSGROVE:

I don't see why, they'll be properly supervised on the rifle range.

FEMALE INTERVIEWER:

Don't you admit that this is a terribly dangerous activity to be teaching children?

GENERAL COSGROVE:

I don't see how. We will be teaching them proper rifle discipline before they even touch a firearm.

FEMALE INTERVIEWER:

But you're equipping them to become violent killers.

GENERAL COSGROVE:

Well, Ma'am, you're equipped to be a prostitute, but you're not one, are you?

The radiocast went silent for 46 seconds and when it returned, the interview was over.
