Recovery R*n 1009 will be set by Urang from the front steps of the Bischoff Hotel. This may seem a long way to travel after a big night, but do your best. Bring Hat, Mug, Joke, Head, Panadol. Sunday July 26th, 10am.

PLUS... You also get... at no extra cost ...

Next Week's R*n 1010 will be set by Giggles & Boomboom from 15 Loongana Avenue Somerset. Bring Hat, Mug, Joke, Friend, \$ 10, plus raffle change, and a nice bottle of Passionfruit Absolut. Sunday August 2nd, 3.30 pm.

R*n 1007—Playground Adventures @ Arthur Street, Somerset, set by Speed Hump(359), July 19th, 2009.

The pack: Dyke(76), Ratchet(333), Flasher(32), Knickers(286), Boomboom(9), Ringo(644), Phay Wray(273), Dini(398).

Umbrella, raincoat, gumboots, waders, floaties, lifejacket, Ark, matching black lacy bra and g-string.

These are all items which, when brought to a Hash r*n may serve to unnerve the Hash Monk. This in turn may make him cranky and say "Fark you bastards, today you are going to pay for your lack of faith in my abilities—I'm gonna make it Piss Down!" Until he sees the underwear. It's a bloke thing.

So despite the complete disregard shown by Phay Wray, Dyke, Ratchet and Knickers who carried umbrellas, and Ringo and Dini who wore raincoats, Boomboom instinctively knew that Flasher must be the one wearing the lacy underwear (yep, that's unnerving) and held back the rain for most of the r*n.

Knickers pranced around, doing that "perambulate or perish" thing she does so well, raring to go and asking everyone who the Poxo Trailmaster was, in the absence of A Bit of This. No-one could remember, so the records were consulted. It was Knickers.

Away up Beaufort Street, but trail did a sneaky starters' loop back around the Basketball Centre and up Arthur Street. Some concerted weaving through the Somerset boring flatness, then it was up the hill to Ronald Crescent.

Those in the know loitered at the upper end of the crescent, expecting to execute a decent shortcut, but the evil Hare had set a Mastercheck in the playground on the crescent curve. Righteous Ratchet was the only one who followed trail and found it, looking very precarious as he perched atop that strange and lonely mound, known as high moral ground. Not that moral really, as he didn't call the MC. Naughty Ratchet.

The playground equipment was tested for structural integrity by Dini, Dyke and Boom. Knickers called for a joke, and Boomboom supplied a one-liner. When the laughter had subsided (conservatively, 3 nanoseconds), Knickers called On.

A jaunt along Cardigan Street, where an unofficial MC was called so the lads could play with a footpath faucet. Dyke had a little go, then Flasher sprayed everyone within range (he practises at home with his own hose apparently). That must have been why everyone was starting to feel rather damp—couldn't be rain now could it? Not on a Hash r*n!!

Up to Malakoff Street and a curly loop around to the Oonah Crescent playground. The Hare was waiting here in her car with sweeties to tempt the little boys, but had to share them with the Harriettes as well. Her pink fizzy cordial was good too—perhaps it was the dissolved sedative which added that certain piquancy, turning legs to jelly and brains to dribbling idiocy. But it couldn't make the '70's hacienda across the way look any better.

On down to Flinders Street and Pelissier Court, returning home via a hillside footpath affording broad and beauteous views along the coast.

The On On was removed to the cosy environs of Hump House, complete with cuddly fire and roaring pussy. Poxy Lip Dini laid out the charges and the guilty ones collected their punishment from Poxy Beer Bitch Dyke, until the bucket was empty. After a substantial repast, the evening melted into a port glass and there was, on the whole, way too much giggling from the likes of Phay Wray and Knickers. DT made a welcome visit after her holiday, which must have been a ripper because she could only be coerced into drink a cup of tea, nothing stronger.

The Hashit was awarded to Slack Mac for cluttering up a hospital bed when he should be at Hash, and the pack resolved to send him a raspberry, in one form or another, to aid his recuperation. In happier news, the Ball-Crèmes welcomed their new Hasher safely into the world on July 14th.

Glass of cheap passion, anyone?

Only "D" cells? Mine runs off the mains!!!

Two brooms were hanging in the closet and after a while they got to know each other so well, they decided to get married.

One broom was, of course, the bride broom, the other the groom broom.

The bride broom looked very beautiful in her white dress.

The groom broom was handsome and suave in his tuxedo.

The wedding was lovely.

After the wedding, at the wedding dinner, the bride-broom leaned over and said to the groom-broom, 'I think I am going to have a little broom!'

'IMPOSSIBLE !' said the groom broom.

'WE HAVEN'T EVEN SWEPT TOGETHER!'

NEW WORLD SURVEY

Last month a world-wide survey was conducted by the UN.

The only question asked was:-

"Would you please give your honest opinion about solutions to the food shortage in the rest of the world?"

The survey was a huge failure because of the following:

In Eastern Europe they didn't know what "honest" meant.

In Western Europe they didn't know what "shortage" meant.

In Africa they didn't know what "food" meant.

In China they didn't know what "opinion" meant.

In the Middle East they didn't know what "solution" meant.

In South America they didn't know what "please" meant.

In the US they didn't know what "the rest of the world" meant.

And Finally..... In Australia they hung up because they couldn't understand an Indian accent.

There were three black ladies getting ready to take a plane trip for the first time.

The first lady said, "I don't know 'bout y'all but I'm gunna wear me sum hot pink panties befo I gets on dat plane."

"Why you gonna wear dem fo?" the other two asked.

The first replied, "Cause, if dat plane goes down and I'm out dare laying butt-up in a conefield, dey gonna find me first."

The second lady said, "Well, I'm a-gonna wear me some floe esant orange panties."

"Why you gonna wear dem?" the others asked.

The second lady answered, "Cause if dis hare plane is goin' down and I be floating butt-up in the oshun, dey can see me first."

The third lady says, "Well, I'm not gonna wear any panties."

"What? No panties?" the others asked in disbelief.

The third lady says "Dat's right girlfriends, you hears me right. I ain't wearin' any panties, cause if dis plane goes down, honey, dey always look fo da black box first."
